

OFFICE OF THE GOVERNOR
State of California

November 21, 1992

TO: THE SAN FRANCISCO GU-ZHENG MUSIC SOCIETY

Let me offer my best regards as you celebrate your 10th anniversary with tonight's performance at Herbst Theatre in San Francisco.

Music is often one of the most distinctive elements of a people's culture. The sounds, styles and instruments are reflective of the traditions of that culture and often times its highest expression.

Since your founding in 1983, you have helped bring Chinese music to fans throughout the Bay Area and California. You have been met by enthusiastic crowds wherever you have performed, and you have earned a reputation for excellence of which you should be proud.

I am pleased to know that you also take the time to bring the gift of music to hospitals, nursing homes and senior centers.

As you celebrate ten years of success, I know this will be an evening of beautiful music for all to enjoy.

Sincerely,

A handwritten signature in cursive script that reads 'Pete Wilson'.
