

Greetings From The Mayor

October 2002

Dear Friends,

On behalf of the City and County of San Francisco, I am pleased to extend greetings to all the participants of the San Francisco Arts Commission Chinatown Community Arts Program, who, in cooperation with the San Francisco Gu-Zheng Music Society and Grants for the Arts will host the "Celebration of 20 Years." Featuring music by members of the San Francisco Gu-Zheng Music Society and other renowned musicians from China and Germany, this event will truly put the Chinese musical world on center stage.

Best wishes for a successful celebration of Chinese music.

Sincerely,

WILLIE L. BROWN, JR.

Mayor
